Perpetual's Building Services Team in Sydney completed a clean out in November 2021 of our large storage facility in western Sydney. Over the years, the storage facility had filled to capacity with excess workstations, technology, kitchen appliances, electrical and light fittings, carpets, furniture, and even metal statues.

The team carefully sorted through every item to determine the best outcome for it. We donated any suitable items to TwoGood, a charity committed to supporting survivors of domestic violence. Wherever possible, all items that were still in good condition were reused. Items that no longer had a purpose were sent to metal or second-hand furniture recyclers. By the time the clean out was
